Save money, time and miles on every load with truck-specific GPS routing and trucker business tools:

- Use the most comprehensive truck-specific data – 35% more truck data than other sources.
- Customize the route for your vehicle – 48 or 53 ft trucks, doubles, triples or HAZMAT
- Monitor hours of service for on and off duty, and track mileage for maintenance and record keeping
- Plan where to stop, park or fuel up with Trucker's Friend[®] National Truck Stop Directory[®]
- Calculate mileage by state/province for IFTA Fuel Tax reporting
- Large 5-inch display with oversized buttons are easy to use
- Powerful speakers that are 2 times stronger than other GPS units
- Oversized suction cup for windshield and an extra long cable for power supply

With years of feedback from drivers and fleets, the IntelliRoute TND is trucker tested. Trucker approved.
